

Ashton Class: (Spring, Term 2)

Lines of inquiry: How does climate change around the world? How has air travel progressed? How has endurance helped people achieve their dreams?

Draw pictures to show how people travelled before planes were invented.

Create a timeline showing how planes have changed over time

Write about a time you showed endurance when learning something new.

Weather watcher: Record the weather for one week and compare it with another UK place.

Weekly Weather Observations

Monday	Tuesday	Wednesday	Thursday	Friday

Monday	Tuesday	Wednesday	Thursday	Friday

Design your own plane of the future and label its features.

Research a country of your choice and look at the climate there and how this affects the animals and plant life.

·let your light shine·

Ashton Topic Homework:

You can choose one activity or complete more if you would like.

These homework activities are intended to be as open ended as possible, allowing the children to reflect on their learning in class in a creative way and for the children to make their own decisions on how to collect, record and present their home learning. All pupils have different learning styles - some are visual learners, others work well with words and writing, many learn best from practical hands-on activities e.g. through making things, art or crafts. Children's learning is maximised when they engage in activities using their individual learning styles.

Here are some ideas of how children might approach their chosen learning activity:

- Drawing, colouring, sketches, labelled diagrams, artwork- painting, collage, 3D constructions
- Take photographs or even videos of their work
- Use the internet as a resource or to present information (typed work/power point/art)
- Tables, charts and grids
- Writing fiction, poems, descriptions
- Writing non-fiction-report, diary, letter, journal, newspaper report, leaflet, debate or explanation
- Your child can include objects, resources or references to them.

Please do not hesitate to let me know if you need any resources like paper, pens, glue, photos printed or anything else.
I hope you have fun learning! Miss Roberts
