

# Ashton Class: (Spring, Term 1)

## Stone Age

Create an acrostic poem using the word 'Stone Age'.

Create a Stone Age quiz to test your friends and family. Who can get the best score?

Imagine you are an archaeologist. Place small objects in sand, soil or rice and ask someone to find them using a small brush (like a toothbrush or a make-up brush) or a teaspoon. Ask someone to hide objects for you to find.

People in the Stone Age used marks when they were counting. Can you count how many toys or books you have and use tally marks to record this?

Make a Stone Age Diorama. Be as creative as you wish!

List all the jobs that people had to do during the Stone Age. Can you list at least ten jobs?

·let your light shine·

## Ashton Topic Homework:

You can choose one activity or complete more if you would like.

These homework activities are intended to be as open ended as possible, allowing the children to reflect on their learning in class in a creative way and for the children to make their own decisions on how to collect, record and present their home learning. All pupils have different learning styles - some are visual learners, others work well with words and writing, many learn best from practical hands-on activities e.g. through making things, art or crafts. Children's learning is maximised when they engage in activities using their individual learning styles.

Here are some ideas of how children might approach their chosen learning activity:

- Drawing, colouring, sketches, labelled diagrams, artwork- painting, collage, 3D constructions
- Take photographs or even videos of their work
- Use the internet as a resource or to present information (typed work/power point/art)
- Tables, charts and grids
- Writing fiction, poems, descriptions
- Writing non-fiction-report, diary, letter, journal, newspaper report, leaflet, debate or explanation
- Your child can include objects, resources or references to them.

Please do not hesitate to let me know if you need any resources like paper, pens, glue, photos printed or anything else.  
I hope you have fun learning! Miss Roberts
