

Camelot Class Homework (Term 3)

Choose one (or more) of the six homework ideas below to do as your homework for this term.

Spelling

Practice writing some of the spellings from the statutory year 5 and 6 spelling list.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

You could try rainbow writing, type your spellings on a computer in different fonts, write a definition for each spelling, slice the spellings into syllables or make your own crossword/word search using your spellings.

Computing

Can you use your computing skills to create something about the Titanic? You may want to use Google-Sites or Google-Slides. You may even want to create an animation of some sort!

Research

Use your best researching skills- what else can you find out about the Titanic?

You may want to investigate the Titanic's sister ship, 'The Olympia,' and identify the similarities and differences between the two ships, or you may want to look into a significant individual on board- see what you can find out!

Art and Design

Can you create something artistic relating to trans-Atlantic travel through the ages or the Titanic? You may want to create a picture, a collage or make a model. The choice is yours...

Reading and book review

- Read at least 3 times a week at home and log it on Pageticker.
- Write a book review about a book you have

enjoyed and would recommend to others.

- What is the book about?
- Give it a star rating!
- Who would you recommend the book to? Why?

Cooking

You know me, I love a cooking task! Surprise me, what could you make this time: a cake, a snack or help out with an everyday meal? You know the rule though... you have to tidy up after yourself!

Camelot Homework:

You can choose one activity, or you can complete more if you would like.

These homework activities are intended to be fun and as open ended as possible. Be creative and make your own decisions on how to collect, record and present your home learning.

Here are some ideas of how you might approach your chosen learning activity:

- Drawing, colouring, sketches, labelled diagrams, artwork- painting, collage, 3D constructions.
- Take photographs or even videos of your work.
- Use the internet as a resource or to present information (typed work/power point/art)
- Writing non-fiction-reports, diary, letter, leaflet, or explanation
- You can include objects, resources or references to them.

Please do not hesitate to let me know if you need any resources like paper, pens, glue, pictures printed or anything else. I hope you have fun learning, and I can't wait to see what you will achieve!
