## C of E Primary School

Let Your Light Shine

### Friday, 10<sup>th</sup> October 2025

On Monday, local MP, Tessa Munt (photo above), came into school to share some of the things members of Parliament do during their working week. Tessa also took questions from the children and was pleased to hear that we are in the process of electing our new school council members. Before she left, Tessa presented Elsie in year 5 with a certificate for her winning carnival mask design. The mask has been completed with the assistance of Mrs Key's art club (photo right). At the end of term, the mask will go on display in Bridgwater, to join the town's extensive mask trail.

If they haven't already, the children will shortly be bringing home a letter giving details of this term's parent-teacher meetings. The meetings take place from 1.10pm on Monday 20<sup>th</sup> October. We hope every parent can make a booking and discuss their child's progress, and take the opportunity to look at books.

#### Key Dates for the term ahead:

- Thursday 16<sup>th</sup> Oct. Harvest Festival at St. Michael's, at 2.15pm
- Parent/Teacher meetings on Monday 20<sup>th</sup> October.
- Final day of Term 1 is Thursday 23<sup>rd</sup> October
- Term 2 begins on Monday 3<sup>rd</sup> Nov.
- Flu vaccinations on Monday 3<sup>rd</sup> November

Dear Parents/Carers Thank you to everyone who came along to the Book Fair this week; we hope the books will be enjoyed. The school also benefits from a commission on sales, and this is used to buy more books for the classes.

Next Thursday, we have our annual Harvest Festival in the church. The service starts at 2.15pm and all are welcome to attend. As usual, we will be collecting foodstuffs for the local Food Bank. Children can bring in an item to donate on the day.

Kind regards, Chris Burman

If you are ever worried about a child or a vulnerable adult you should contact Somerset Council on **0300 123 2224**. This number is open to everyone to use, every day of the week.

Ground-works for the new garden/office room have been on the go for some weeks, with the support of Mr Liam Knight and ably assisted by Lily-Rae and Quinn (photo above). On Thursday, concrete was delivered by Somerset Concrete using a very impressive and very new £300,000 mixer truck. We thank Somerset Concrete and Mr Knight for all their hard work and generosity in supplying their time and resources to support the school. The room, provided by a grant from Weston and Burnham Energy, is being installed at the end of October.

Following the recent visit from artist Sally Walker, the members of Kingston Class have produced some lovely art work, which is now on display in the main corridor. The work included a combination of inks and watercolours and is really effective. Well done all.
