C of E Primary School

Let Your Light Shine

Friday, 5th December, 2025

This term's Christian Value is Justice and we discuss what this means in whole school collective worships, as well as in classes.

'Defend the poor and fatherless: do justice to the afflicted and needy'. Psalm 82:3

Last Friday's silent disco (photo top) seemed to go down very well, with many of the children attending asking if it could be repeated, so that will be on the agenda for next term. The headphones will also be out in the orchard for an open-air disco as part of the **Brent Knoll Wassail** on **Saturday, 17th January**.

Sema, Esme, Albie and Alex - all members of year 6 – gave up their Saturday morning last week to represent the school in the annual **Wellington School Maths Challenge** (photo above). This is a competition in which sixty primary schools take part, all sending their very best mathematicians. The questions are incredibly tricky and well above the usual level of Maths for this age group. The children did really well, working as a real team. Thank you also to the parents who supported. Well done all!

Dear Parents/Carers

Firstly, thank you to all the support given for Kingston Class's Anglo-Saxon day on Wednesday (photos below). The children looked terrific in their costumes and we hope they all enjoyed the various activities, which ranged from weaving on a loom to outdoor cooking to sewing money bags and the creation of runes. It was also lovely to see family members returning to Russet Class on Thursday to join in with a reading session.

The photographer was in school yesterday and photos can be ordered online. If you have any queries, please do call the office.

Kind regards, Chris Burman
