Let Your Light Shine

Friday 27th March 2026

Dear Parents/Carers Last week, Ashton Class had a terrific trip to British Aerospace in Bristol. The children had workshops and a tour of the museum, including a walk through a Concorde (photos below).

Next Monday afternoon we have parent/teacher meetings and we look forward to seeing you. If you haven't booked a time to see your child's teacher, there is still time to do so.

Kind regards, Chris Burman

Members of Camelot Class (above) kindly took responsibility for ensuring last week's Red Nose Day raffle was undertaken fairly, and we hope the winners of the hampers enjoyed their prizes. As mentioned previously, £200 was raised for this good cause. Camelot Class will also lead in our **Easter service at St. Michael's Church next Thursday afternoon, from 2pm.** Parents, carers and friends are welcome to attend.

Whole school attendance is currently an excellent 96%. Thank you again to all our families for ensuring our children get into school for more days than the national average.

LEARN TO ROLLER SKATE WITH BEYOND SKATE

AFTER SCHOOL ON A WEDNESDAY

STARTING 22ND APRIL

WE JUST NEED YOUR SHOE SIZE AND WE CAN SUPPLY THE SKATES
SIGN UP THROUGH YOUR SCHOOL

With the end of term next week, we are already thinking about clubs for next term, and a new one for children in Years 1 to 3 is roller-skating; spaces now available to book on MCAS. We are always keen to hear of any other ideas for clubs. **The new term itself begins on Monday, 20th April.**
