Proverbs 3:5

Dear Parents/Carers: This term, our Christian Value is Trust and in class and school assemblies we have been talking about what Trust is, why it is so important and how to gain it in order to maintain and build positive friendships.

Kind regards, Chris Burman

PS We have an extended week-end ahead, so we look forward to seeing the children return next Tuesday, ready for an 8.45am registration.

As mentioned in previous newsletters, we still have a partner (formerly known as school governors) group that meets on a termly basis to support the school's development.

We have spaces on this group for more members. If you would like to have a volunteering role in the community and would like to help the school, please do contact the office about what the role entails.

Each Monday we get a report from Page Ticker which informs us as to which class has the best record for reading, so well done to Pippin Class who reached an amazing 100% last week.

Overall, most children are reading at home on a regular basis. However, if your child is not keen to do this, please speak to us about how we might encourage them to read for pleasure.

Key Stage 2 science takes place on a Wednesday afternoon and this week the Y5s enjoyed using some new filtering equipment (photos right); the challenge was to make muddy water clean much cleaner, and almost drinkable.

The after-school clubs have started and most are very popular, such as the **Mini-Dukes** (photo above) but there are still spaces on the Friday football club. As such, this club is now available for Y2s to join.
