

Dear Parents/Carers It's been another busy week at school, with lots of great work going on, which included a celebration of National Poetry Day yesterday. If you are thinking of what to read at home, we know the children love hearing poems being read to them, and there are plenty to access online. If you want to hear a classic, you might want to start with Lewis Carroll's Jabberwocky: https://www.youtube.com/watch?v=Q_Um3787fSY

I also need to let those with a child in pre-school know that that our pre-school lead, Mrs Jo Wood, is leaving us at the end of October. Mrs Wood is moving onto a new role within Weston College and we wish her all the best in her new role. Mrs Wood's position is in the process of being advertised. Kind regards, Chris Burman

Well done again to the members of Camelot Class (Year 6) who worked so hard to prepare and serve at their **Macmillan Coffee Morning** and cake sale last Friday. The event raised an amazing **£265** for this very worthy cause.

For the last four weeks, three keen boys (photo below left) have been helping long-standing friends of the school and church, Mr and Mrs Keele, build a model railway lay-out. **The layout will be on display in St. Michael's church, Brent Knoll, on Saturday alongside other railway sets and displays.** Everyone is welcome to visit and, more importantly, have a go at driving the trains around their tracks. There will be something for all ages.

Flu vaccinations take place in school next Monday morning, the 7th October.

This week's **'Stars of the Week'** (above) and the winners of the carnival mask design competition (left) were presented with their certificates and prizes by **Lewis and Diego from Kings Leisure**. Lewis and Diego had come to inform the school about all the sporting opportunities available at Kings Leisure Centre in Cheddar (which is owned by the Wessex Learning Trust). The assembly became a very lively work-out as the coaches led the children through a series of exercises. All the children now have a booklet in which they can record the times they are taking part in fitness activities.

Tuesday was a great day for attendance with **100%** of children in school. Well done all, especially those feeling a bit under the weather but who still made it in!
