Dear Parents/Carers Thank you to everyone who visited the **book fair** this week. We hope the books that have been bought will be enjoyed. Reading is a key skill for life, and such a great way to relax and to switch off from daily life. The school also benefits from the sales by earning a small commission; any money earned will be spent on books for the classrooms. Kind regards, Chris Burman

Current attendance is at a very good rate of **96.3%**. Well done to all those who made it in every day this week.

Our **Harvest Festival** (photo right) took place this morning and many thanks to the members of year 6 and the choir for taking such a leading role, and it was lovely to see so many parents join us. The local Food Bank will also really appreciate all the items that were donated.

Miss Richens sent out an email earlier in the week which detailed how we teach **spellings** at school. The email contained all the words your child should know at the end of each year. Please do have a look and do ask if you have any questions.

Alongside the book fair, **books and reading** were also enjoyed at the end of Wednesday afternoon in **Russet Class**. Parents and carers came into school to share a book and enjoy a cake with their children and staff (photo left). Thank you to everyone who participated. Seeing adults enjoying books really encourages children to do the same.

Each Thursday afternoon we have a school assembly in which certificates are shared and we find out who has **'Let their light shine.'** This week, we had two children share their successes in sporting competitions. Ellouise, photo right, did incredibly well in her gymnastics last week-end and, with her partner Alfie, came first in their competition held in Honiton. Arthur, in Year 4, shared his triathlon medals, earned from a recent competition in Torbay. Well done to both the children for making such a great effort in their chosen sports and for sharing their news with us.
