'Let Your Light Shine' Matthew 5:16

Dear Parents/Carers: Our two singing groups were quite rightly delighted with their success in the Highbridge Festival on Thursday. Mrs Stockham's group sang two contrasting songs of worship and took a well-deserved silver medal. Mrs Lewis' group, who are all members of Vallis Class, performed two songs from the musicals (Edelweiss and Wooden Heart) and won a gold medal for their efforts. Many thanks to all the children and staff who worked so hard to make this success come about. Kind regards, Chris Burman

Letters have gone out this week to invite parents and carers to this term's parent-teacher meetings, which take place on Monday 31st March. We hope everyone will be able to make time to get an update on their child's progress in school, now that we have almost completed two thirds of the school year.

As you may already know, the Friends of the School are putting together an Easter fair, to be held at the school on the first day of the holidays: Saturday, 5th April. There will be lots of games and activities, so we hope you can visit, and please do share the invitation with friends and family. We already have lots of great prizes for the raffle.

Despite all the recent testing, the classes have still been enjoying a great range of activities, from hatching butterflies in pre-school (photo above) to junk modelling houses in Ashton Class (photo below). On Thursday, three classes were able to share the Spring Equinox by meeting two lovely spring lambs, both only ten days old (photos right). We were very grateful to the Woollaston family for sparing the time in their incredibly busy schedule to come in and talk about their lives as working farmers.
